We got here about 10:30 and after we had cut a load of brush down we started fishing at midday. On the left rod at about 1pm I had a 16lb 5oz and immediately after I cast it out I had another at 12lb 7oz. Right hand rod at about 2pm 22lb10oz. All on 10mm pineapple so far. 14lb 8oz at about 4pm About 6pm I has two fish on at the same time. Good job my buddy Matt was with me. First one 20lb 8oz second one 23lb 15oz. I'll add some more pics tomorrow.
